A LIGHT ON  
**DOMESTIC VIOLENCE**

Join Friends With Dignity this May in raising awareness for Domestic and Family Violence Prevention Month. By lighting a lamp or candle, you can show solidarity with victim-survivors and help illuminate the path to a safer future.

## **How you can participate:**

- Purchase a Shine a Light Pack: Each pack includes a branded LED lantern, educational resources, a campaign poster, and more.
- Light your own lamp or or purchase a FwD Candle.
- Share your light: Take a photo of your lit lamp or candle and share it on social media. Tag @friendswithdignity and use the hashtag #ShineALightOnDomesticViolence to spread awareness.
