Friends with Dignity AUSTRALIA

Letter from CEO & Founder

As we reflect on the past year, I am incredibly proud of what we have achieved together. It has been a year of meaningful progress, collaboration and impact.

Our shared commitment to our mission, and to the people at the heart of our work, has driven it all. The year brought its challenges. It also reinforced why our work matters, and the difference a community can make when it comes together with a common purpose.

Throughout the year, we continued to turn our vision into action. We grew our partnerships and stakeholder activities. We strengthened community and volunteer engagement. We continued to grow our programs and service delivery.

This year we furnished 95 Sanctuaries, completed 163 Urgent Requests and 15 Little Friends Urgent Requests, and awarded 146 Little Friends Scholarships. Each milestone is more than a number. It reflects the lives touched, the connections built and the change made possible through our collective efforts.

None of this would be possible without the generosity, passion and commitment of our team, volunteers, ambassadors and partners. To our team, thank you for your dedication, expertise and belief in our mission. To our volunteers and ambassadors, thank you for giving your time, energy and voices to champion our work. To our partners, supporters and collaborators, thank you for standing alongside us and helping turn our vision into reality. I am deeply grateful for the role each of you plays.

One Standout Achievement This Year Was Reaching Our **1,000th Sanctuary.**

Together with the other requests we respond to every day, these fully furnished homes have now supported over 2,800 people. This milestone shows the scale of our work. It also shows the care, collaboration and commitment behind every outcome. Each Sanctuary is our mission in action, and it inspires us to keep reaching further.

As we look to the year ahead, we do so with optimism, ambition and a clear sense of purpose. We will build on the foundations established this year.

We will explore new opportunities to grow our impact and keep strengthening the relationships that make our work possible. There is still much to do, but I am confident that together we can achieve even more.

Thank you for being part of our journey and for your continued belief in what we can accomplish. It is a privilege to lead this organisation, and I look forward to all we will achieve together in the coming year. Wishing you a joyous and safe holiday season and a prosperous New Year.

With gratitude,

Manuela Whitford
Chief Executive Officer/Founder

Our Volunteers

Overview of Our Volunteer Program

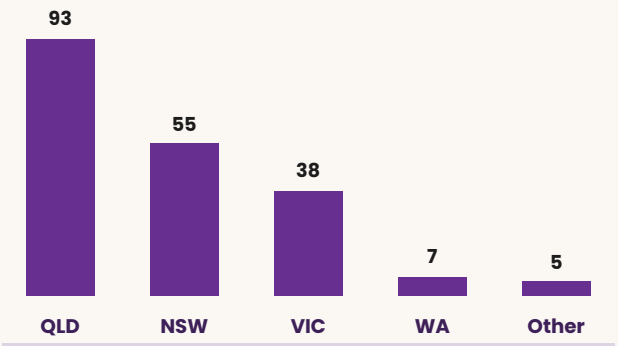

Friends with Dignity relies heavily upon volunteers to achieve its goals. The profile of a volunteer is:

- Treating others with kindness
- Being true to oneself and others
- Emotionally intelligent
- Working together towards a shared goal

Our volunteers come from all walks of life, and we celebrate the **diversity** each person brings to our community.

How to Volunteer

Registering to volunteer with Friends with Dignity is easy. We welcome anyone who shares our commitment to supporting victim-survivors of domestic and family violence. Simply:

- Visit friendswithdignity.org.au and follow the volunteer link
- Complete a police check ($25.00)
- Submit your online application

Corporate Volunteering

Our Corporate Volunteer Program gives businesses a hands-on way to support victim-survivors. This year, 11 businesses joined our corporate warehouse program in Logan. Their teams sorted and packed donations, assembled small furniture and prepared Urgent Requests and Sanctuary homes.

In total, 132 corporate volunteers gave more than 550 hours across 25/26. That is up from 111 volunteers and nine businesses last year.

Our Partnerships

We welcome the opportunity to partner with businesses of all sizes. Through these partnerships, businesses and their teams can make a meaningful impact while providing practical support to adults and children affected by domestic and family violence.

We look for partners who can support our work in practical ways. We are open to discussing partnerships with all kinds of organisations, and we work with each partner to shape a partnership that benefits both organisations.

A partnership with Friends with Dignity can help you engage your employees through a culture of giving and align your brand with a safer future for families across Australia. We recognise our partners year-round across our marketing platforms.

Community Engagement

Community Drives & Campaigns

Friends with Dignity continued to engage individuals, businesses and community groups to Step Up, Speak Out and Support victim-survivors of domestic and family violence. Local businesses and community members hosted collection points and donated goods for our Sanctuary and Urgent Requests programs.

April PJ Drive (April 2026):

2,469 pairs of brand-new pyjamas donated for children in refuges across Australia, up from 2,080 last year.

We distributed 1,564 in QLD, 320 in VIC, 300 in NSW and 285 in WA. This included 433 sets from the Hand Heart Pocket Foundation and Camp Hill Lodge No. 388. The Loan Market Group team helped us pack pyjamas for Melbourne refuges for the second year in a row.

Christmas Drive (November to December 2025):

Our biggest and best Christmas Drive yet. Collection points across QLD, NSW, VIC and WA received so many toys that we closed our online Simply Giving toy store early.

Supporters donated new toys, gifts and vouchers at collection points across Australia. Volunteers collected and sorted every donation, and the gifts were delivered through services supporting families affected by domestic and family violence.

Sponsor a Sleigh (November to December 2025):

Over $16,000 raised to cover the cost of collecting, sorting, packing and delivering Christmas Drive gifts. Thank you to every business, community group and individual who sponsored a sleigh.

Sponsoring a sleigh helps cover the logistics, transport and coordination costs of delivering Christmas Drive donations to families affected by domestic and family violence. Sponsors are recognised on our website and social channels.

Volunteer & Community Impact

Volunteers across Queensland, New South Wales, Victoria and Western Australia sorted, packed and delivered donations to families in need.

> **To every volunteer who gave their time, skills and energy throughout the year, thank you. Our work would not be possible without you.**

Fundraising

Friends with Dignity is grateful for the businesses, community groups, and individuals who chose to support our work throughout the year.

- **Hand Heart Pocket Foundation and Camp Hill Lodge No. 388:** $45,240, alongside 433 sets of pyjamas for our April PJ Drive.
- **Master Plumbers Association of Queensland:** over $27,000 raised as our 2025 charity partner, through their World Plumbing Day Lunch, golf days and trade shows.
- **Melbourne Pathology:** $16,731 raised at their Staff Charity Ball.
- **Pole Divas:** nearly $15,000 raised through their Christmas Showcases, plus $1,040 from Open Pole Nights in Point Cook and Moonee Ponds.
- **Loan Market Group and the Share Tomorrow Foundation:** $8,935 raised at the Growth Summit Givefest towards our new truck.
- **Tara Brown Foundation for Domestic Violence Relief:** $5,000 donation.

Thank you to every other business and community group that supported us this year, including those who chose to give quietly.

Individual Fundraisers

Individual supporters stepped up in creative ways throughout the year, through running challenges, community events and personal fundraising pages. Highlights include:

$12,500

Thomas Sima: $12,500 raised running 100km from Sydney to Wollongong in January 2026. The run was personal to him, a way to turn a difficult past into something positive for families starting again.

$5,050

Ruby Hodges: $5,050 raised running 106 laps of the Gibson football oval, a full marathon distance of 42.2km, for her 106 Laps for 1 in 4 Women challenge.

Thank you to every person who fundraised for Friends with Dignity this year. Every dollar raised helps us support victim-survivors.

In-Kind Support

We thank Stockwells, our moving partner, for transporting donated goods across Australia and into our Sanctuary homes. We also thank Loan Market Group for donating 10 TVs for Sanctuaries in Queensland and Newcastle, and ENTAG for donating computer monitors for our warehouse.

Media Support

The Breeze continued to support us, sharing our campaigns with listeners across the Gold Coast and Logan. NBN Television and ABC Newcastle also covered our Christmas Drive.

Van Supporter

Salty Sails, led by Ambassador Joe Dageforde, continued as our van supporter. This sponsorship helps cover the cost of collecting and delivering furniture and household items for our Sanctuary Program.

Our Grants

Grant funding continues to support a range of expenses that directly benefit the individuals and families that Friends with Dignity assist.

Here is the share of grants awarded this year towards each area of our work. Some of these grants are paid over more than one year.

Operations and capacity (around 84%):

Warehouse operations and rent, storage units across states, logistics and transport, volunteer coordination, administration, insurance and program management, including buying items for Sanctuary homes. It also covered a contribution to our new delivery truck, a grant management platform and a new air conditioner for our Meadowbrook warehouse.

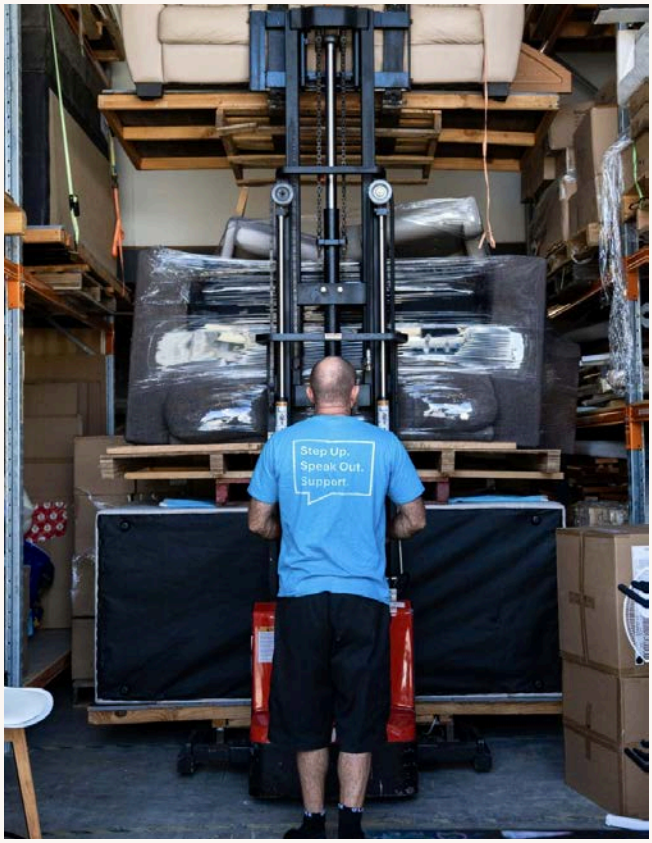

Sanctuary Program (around 13%):

Fully furnished homes for victim-survivors in Brisbane, Newcastle and across the country.

Little Friends Urgent Requests (around 2%):

Essential items and support for children rebuilding after domestic and family violence.

Grant Funding Helped Us Achieve:

- Five Sanctuary homes fitted out across Brisbane, supporting 13 people. One of these was our 1,000th Sanctuary home, and the Lady Mayoress of Brisbane joined the fit out to mark the milestone.
- A refuge set up in the Lower Hunter region of New South Wales.
- In the six months from April 2026, our core operations funding helped us support 496 people, complete 52 Sanctuary homes and fulfil 109 Urgent Requests.
- Volunteer insurance, protecting the people who make our work possible.
- A new air conditioner at our Meadowbrook warehouse, keeping volunteers and staff comfortable on hot summer days.
- A new grants management platform, which has streamlined how we find, apply for and manage grants.

> Operational grants are especially valuable. They keep our warehouses, storage and logistics running, which every one of our programs relies on.

We continue to feel the pressure of an increasingly competitive funding environment. Our team stayed focused on securing and acquitting grants throughout the year.

Our Events

Lunch with Friends 2026: Delivering Dignity

On 13 June 2026, we hosted our annual Lunch with Friends at the Pullman Brisbane. This year's lunch, Delivering Dignity, raised over $47,000 towards a new delivery truck, taking us past the halfway mark of our $80,000 target.

A new truck means we can furnish more homes, reduce delays and support more adults and children rebuilding after domestic and family violence.

Guests heard from a panel featuring Manuela Whitford, our Founder and CEO, Nicole Madigan, journalist, advocate and Board Member, and special guest Lauren Trevan. Lauren shared her lived experience of coercive control and what it took to rebuild after 16 years in an abusive relationship.

Award-winning Brisbane entertainer Vollie LaVont hosted the afternoon as our MC, bringing energy, humour and a round of drag bingo.

Thank you to everyone who attended, donated, sponsored, volunteered or shared their story.

Our New Truck

In late August 2026, we took delivery of our brand-new truck. It gives us more capacity to collect and deliver donations and turn empty houses into safe, welcoming homes for families rebuilding after domestic and family violence.

> **Thank you to Allens, dōTERRA, the Saywell Foundation and the James Frizelle Charitable Foundation, whose generosity, together with everyone who supported Lunch with Friends, put Friends with Dignity on the road.**

Thank you also to **4Shore Projects** for sponsoring the running costs of the truck for the next three years.

Our Programs

Sanctuary Program

Working with the community, we source pre-loved and new household items to fully furnish homes (Sanctuaries) within 7 days for victim-survivors of domestic and family violence, enabling them to move forward with purpose, dignity and hope.

Urgent Requests

Working with registered referring agencies, we provide essential items and financial support on a critical time basis to adults and households, via their support workers and refuge centres.

Examples include furniture, bath or kitchen packs, baby cots and prams, as well as help with electricity bills and moving costs.

Little Friends Urgent Requests

Little Friends Urgent Requests ensure child victim-survivors are not disadvantaged in the transition to a safe environment. Working with registered referring agencies, we provide items for comfort and educational support, and funding for children's essential needs.

Examples include schooling essentials, nappies, children's health costs, school excursions and extracurricular activities.

Little Friends Scholarships

Annual monetary scholarships to children who have faced domestic and family violence to ensure they all have the ability to further their education and/or be able to participate in extra-curricular activities.

Program Stats: The Sanctuary Program

The Sanctuary Program remains the core of Friends with Dignity, transforming houses into safe, welcoming homes for individuals and families rebuilding their lives after domestic and family violence. Each home is thoughtfully furnished by our volunteers using donated goods.

Operating through registered referring agencies, we personalise every Sanctuary based on the unique needs of each family, ensuring they can begin their new journey with dignity and stability.

> **"I immediately felt at home. Walking around the place for the first time and seeing all the items already there was overwhelming in the best possible way."**

Total Sanctuaries in 25/26:	**95**
Total families helped:	**95**
Total people helped:	**275**

This year saw strong growth in New South Wales, where completed Sanctuaries rose from 14 to 45. Committed volunteers, financial donations and referring agencies expanded our ability to create more Sanctuaries.

Victoria remained small, with 3 Sanctuaries completed, due to limited resources and volunteer capacity. Western Australia rose from 1 to 6 as we began rebuilding our presence there. Growing support in both states remains an important focus.

This year, 95 homes became Sanctuaries, out of 110 requests received. That means 95 families walked into a space that was ready for them, with beds made, kitchens stocked and small details chosen around their tastes. Together, these homes supported 275 people: 176 children and 99 adults. That is 31 more Sanctuaries than last year. QLD and NSW delivered 86 of the 95, with NSW completing 45 of its 48 requests. One support worker told us a Sanctuary was finished in under three days, so the client could move in soon after signing their lease. WA completed 6 and VIC completed 3, and building volunteer capacity in both states is a priority for the year ahead.

Client Feedback

"Honestly, I thought they would only be able to donate a couple of things. In my mind I had imagined a couch and a bed and that would be it. I am so shocked at what they have given us. I am so grateful."

"We have never had anything like this. Walking into the unit and seeing literally everything they had done without knowing me or the boys OMG."

"I am so appreciative that they took the colours I love and created such a beautiful space. They are amazing."

"Wow, Amazing, I can't believe it!" and "I can't believe they gave me all of this. So thoughtful. Feels like home."

Support Worker Feedback

"After having been abused and told and treated as if they're worthless, the work that you do makes SUCH a big difference for women who have experienced DFV."

"For a client who has never had her own home or even her own bedroom, this is a very big deal and well received."

"The sanctuary job was completed in under 3 days which was fantastic and allowed the woman to move into her new place soon after signing her lease."

"Forever grateful for this service and how they make the transition between fleeing and finding a new safe home easier for everyone involved."

Program Stats: Urgent Requests

Our Urgent Request Program provides quick turnaround, practical support to individuals and families in crisis, whether they have just entered refuge or recently transitioned into independent housing. Requests can include furniture, personal items, household basics, or targeted financial assistance.

$460 URGENT REQUEST

$460

Dryer for a family who relocated from WA with nothing and couldn't dry clothes outside. A simple appliance made everyday life manageable again.

$500

Washing machine for a single parent of four in a rural area, where secondhand options were hard to find.

$500

QLD security licence so a mum of four could start work after 15 years at home. It gave her a path back into paid work.

$288

Security camera and a phone for a 10-year-old so he can call for help, where the perpetrator keeps turning up at the kids' activities.

This year we completed 163 Urgent Requests from the 220 received, supporting 476 people: 291 children and 185 adults. Of those, 134 were tangible requests for furniture, household basics and personal items, and 29 were monetary requests, with $10,416.80 paid in total.

The monetary requests show how varied need can be: a dryer for a family who relocated with nothing, a security licence so a parent of four could start work after 15 years at home, and a phone so a 10-year-old could call for help.

Each one was small in cost and large in impact. QLD and NSW again carried most of the load, while WA's monetary requests (8 of 12 completed) show demand there is still real.

LITTLE FRIENDS URGENT REQUESTS

$130.66

Dance lessons to help rebuild connection after multiple relocations. A familiar routine amid change.

$240

Taekwon-Do classes for a boy who just started Prep. A chance to build confidence and make friends.

$100

KIDDO movement program for a two-year-old (8-week term). A gentle start to movement.

$416.94

Swimming lessons for a 10-year-old who has found them helpful for her mood and social skills.

$90

Two school jumpers for sisters starting at a new school after relocating. Helping them feel settled.

$500

Dental treatment for a young girl, with Medicare covering the rest. Care she needed, with less strain.

This year we completed 15 requests from 23 received, supporting 18 children with $3,210.23 in financial support. Most of this support was monetary, helping children get back to the things that make childhood feel normal: dance, swimming, martial arts, movement classes, school uniforms and dental care.

One swimming program has helped a 10-year-old's mood and social skills. Dance lessons are helping another child rebuild connection after multiple relocations.

VIC and WA made up most of the monetary requests (16 of 20), showing the program is reaching beyond QLD and NSW.

Our Finances

Charity Reporting 25/26

Friends with Dignity ends the year in a stable and secure financial position, which has allowed us to keep delivering our programs and operations with confidence. Cost-of-living pressures have persisted, and with the current economic environment, we are planning on the basis that conditions could worsen. Ensuring we remain stable enough to continue our operations is a priority, and it has shaped how we approach the year ahead.

Like the rest of the sector, we've felt the pinch of rising costs. Our team has worked hard to secure the funding and donations that sustain our services, and we continue to review our spending closely so that as much as possible goes directly to supporting individuals and families affected by domestic violence.

We were continually humbled by the generosity of our supporters. A strong surge in donations at the end of the year strengthened our cash position. It allowed us to buy a new truck in FY27 without drawing on the funds we need for day-to-day operations.

The new truck will help us reach even more families and individuals.

With the ongoing dedication of our team and the backing of our community, Friends with Dignity recorded a surplus of $371,975 for the year. This puts us in a solid position to begin the new financial year.

We believe holding approximately six months of operating capital is essential to our long-term sustainability. This buffer allows us to weather unexpected challenges and keep providing vital support to the people who rely on us.

How You Can Help

Donate

Friends with Dignity relies on community generosity to deliver practical, life-changing support. Your donation helps us sustain our programs, furnish safe homes, provide essential items and award education and extracurricular scholarships. Every contribution helps more adults and children rebuild their lives after domestic and family violence.

Donations support our Sanctuary, Urgent Requests and Little Friends programs, covering essentials such as rent, security and education. Every gift helps a family start again.

Corporate Partnerships

We receive no ongoing government funding. Our work is made possible through corporate donations, partnerships, grants and major fundraising events.

Partnering with Friends with Dignity lets your business show real social responsibility, engage your staff and align your brand with a cause that creates lasting impact.

We offer tailored partnership opportunities, including financial and in-kind support, designed to benefit both your organisation and the families we assist.

Donate Material

Material donations are essential to both our Sanctuary and Urgent Requests programs. We accept high-quality new and pre-loved items such as furniture, mattresses, décor, linen, artwork and kitchenware to help turn empty properties into warm, safe homes.

You can submit images of items online, and our team will coordinate collection. It is a simple way to turn spare items into someone's fresh start. Every item helps a family feel at home from their very first night.

Fundraise for Us

Community-led fundraising, whether through workplace drives, events or personal initiatives, plays a vital role in sustaining our programs.

Fundraisers generate critical resources and spark important conversations about domestic and family violence and how communities can be part of the solution. Every item donated and every dollar raised directly supports victim-survivors. Whether you host an event, take on a challenge or rally your workplace, every effort counts.

Volunteer

Volunteering with Friends with Dignity offers a meaningful way to restore dignity, hope, and stability to families starting over.

With opportunities in our Sanctuary Program, warehouse operations, events, administration and community engagement, you can contribute in ways that suit your skills, interests and availability.

We believe in flexible, enjoyable volunteering: doing what you can, when you can.

Become an Ambassador

We are proud to have built a growing network of ambassadors who use their influence to amplify our message and champion our mission.

If you or someone you know has a strong community presence or public platform and is passionate about creating safer futures, we would love to connect. Ambassadors help raise awareness, extend our reach and inspire others to get involved. Every voice you share helps more families find the support they need.

Community Drives

Our community drives provide essential items for Sanctuaries and Urgent Requests.

Businesses, schools and community groups can host drives for linen, kitchen items, toiletries, food, laundry packs and pamper packs. These drives offer a hands-on way to directly support families starting anew. Every item helps turn an empty house into a home.

Leave a Bequest

Leaving a gift in your will is a powerful legacy that supports families who have fled violence with nothing but hope.

Your gift helps restore dignity, rebuild stability and remind victim-survivors that a caring community stands behind them. A bequest ensures your impact continues long into the future.
